Meet Johnathon our resident drummer and all things percussion. Jonathon began his music studies BIMM college Dublin in 2011. Having picked up a set of drumsticks at age 10 Jonathon knew this is what he wanted to do as his career. After graduating from BIMM Jonathon became a founding member of our band and his playing has gone from strength to strength.

Meet Ted our very talented lead guitarist. Ted joined our band in 2015 and we have never looked back! As well as his hard earned technical ability Ted brings a raw bluesy grit to our band. Pair this with his flawless technique and it allows us to delve into any genre of music. Ted has played with many talented acts and toured all over Ireland and the UK. His most well known gig before our band was a 2 year tour with The Wolverines which also lead to a grammy nominated guitar solo for the track dances with wolves.

Meet the Band - Henry - Bass & Vocals

Meet Henry. Henry is the second original member of our band and both himself and Jonathon met at BIMM school of music and starting jamming together and knew they had a special collaboration, but little did they know how special. 10 years later and the band is going strong with a huge following of fans in the UK and Ireland. Henry holds down the low end and locks in with Jonathon's tight grooves to get those feet stomping and hands clapping.

Meet the Band - Jim - Lead Vocals

Meet Jim our front man and talented vocalist. Jim joined the band in 2012 ahead of our first major UK tour and beat a string of talented competitors to win his well earned place in the band. As well has having a huge vocal range from the highest falsetto to grittiest growl Jim has one thing that cannot be learned which is his stage presence and charisma. Before he

even clears his throat Jim has the audience in the palm of his hand the atmosphere is electric and we all know we are in for a special show. Our shows will consist of lots of energetic stage antics and crowed interaction and fans are in for treat from the get go. So next time you are at one of our shows buckle up and eniov the ride!
